KINGSLEY IJUO ONAH

+2347036604122

onahkingsleyijuo@gmail.com

SKILLS

Technology stack: JavaScript, TypeScript, NodeJS, NestJS, ExpressJS, MYSQL, Python, NextJS, React, HTML, CSS, Git and GitHub, Docker

Soft Skills
- Excellent communication
- Excellent Collaboration
- High Critical and analytical thinking
- Problem solving

WORK EXPERIENCE

Backend Developer   **August, 2022 – present**
iSense Technology Ltd
- Setup database
- Create REST APIs
- Database operation and manipulation using MySQL
- Debugging application codes
- Third-party API integration

Operation and Maintenance Centre, Radio Engineer   **Mar. 2019 – August, 2022**
Globacom
- Radio access network (RAN) management (hardware/software)
- Fault management, configuration management, software/license management, and performance management of RAN equipment (NodeBs, BTS, BSC, and RNC)
- Provide technical support to BSS field engineers to resolve RAN issues
- TDM to IP migration
- Cluster migration (IP-IP)
- Real time monitoring and clearing of alarms on radio access network elements.
- RAN optimization (Frequency modifications, and BTS/cell/TRX/NodeB upgrade).
- Reconfiguration of NodeBs, BTSs, BSC and RNC for optimization.
- Rehoming/reparenting of sites.
- Worst performing cell KPI analysis

Base Station Subsystem/Transmission Engineer   **Nov. 2018 – Mar. 2019**
Globacom
- Rendered technical support in the field on resolving hardware issues.
- Installed microwave communication link between base stations.
- Integrated NodeB and BTS sites
- Optimized microwave transmission links to improve the received signal level

Network Engineer Intern   Oct. 2014 – Mar. 2015
Directorate of ICT University of Agriculture, Makurdi Nigeria
- Provided technical support to network users.
- Troubleshot, and resolved problem on LAN switches, computers, and WLAN radios
- Installed and configured local area networks, LAN and extended access with wireless local area networks, WLAN.

EDUCATION

B.Eng. Electrical/Electronics Engineering   **2016**
First Class Honours (4.66/5.0)
University of Agriculture, Makurdi, Nigeria

PROFESSIONAL DEVELOPMENT TRAINING

Google IT Automation with Python Professional Certificate   2021
Coursera
Certified Telecoms Network Specialist, CTNS   2020
Teracom Training Institute

Certificate of Completion, 5G, 4G-LTE, 3G, 2G Cellular Mobile   2019
 Udemy Education Services

Certificate of Completion, a Comprehensive Guide to 4G Networks   2019
Udemy Education Services

Cisco Certified Network Associate Training   2017
CCNA APTECH Computer Education, Uyo.

Diploma in Desktop Publishing   2006
GCTECH Computer Institute, Makurdi

PROFESSIONAL AFFILIATIONS

Graduate Member - The Nigerian Society of Engineers   2022 - present
Member - International Association of Engineers   2014 - present
